

HIP   
PHOTOGRAPHY  
FESTIVAL 2017

30 . 09 . 17 – 30 . 11 . 17

# ABOUT THE FESTIVAL

This is the 4th year of the HIP Photography Festival. In this short time, the festival has established its credentials as one of the most significant photography events in the UK.

We have worked hard to put together a stunning celebration of photographic art and we are confident of matching last year's record of 90,000 visitors.

We are looking forward to presenting new work by legendary names such as, Ian Macdonald, who we have commissioned to create 'Hinterlands' in Hull & Rotterdam especially for the festival, work by our award winning patrons, Peter Dench & Matt Finn, the international IN&AT 2017 group show, the RPS Biennial and the Young Travel Photographer of the Year Show.

There will be something for everyone to see and plenty to learn and do.

This year's festival boasts world class exhibitions by award winning international photographers which will be brought together with the outstanding home grown talent of Hull. It also includes opportunities for photographers of all ages and levels to participate in a program of workshops, master classes, and photo-walks.

This ambitious festival is organised entirely by volunteers from the local, independent arts group, Creative & Cultural Co. Curated by HIP Gallery's Alan Raw.

The festival would not be possible without our volunteers and the sponsors
